SHINKO ELECTRIC INDUSTRIES CO., LTD. Receives

Lam Research 2016 Supplier Excellence Award

Annual Recognition Program Acknowledges SHINKO ELECTRIC INDUSTRIES CO., LTD.

Exemplary Overall Performance

NAGANO, Japan, Aug. 23, 2016— SHINKO ELECTRIC INDUSTRIES CO., LTD. has been recognized as one of ten companies receiving a 2016 Supplier Excellence Award from [Lam Research Corp.](#) (NASDAQ: LRCX), a major global supplier of innovative wafer fabrication equipment and services to the semiconductor industry. The awards, presented annually, acknowledge their commitment to exceeding performance standards. SHINKO ELECTRIC INDUSTRIES CO., LTD. earned Lam's Supplier Excellence Award for exemplary Overall Performance.

"It is a great honor to be selected by Lam Research to receive this Supplier Excellence Award. Shinko takes great pride in partnering with Lam Research to develop leading edge technology solutions for Electrostatic Chucks. We are committed to providing the value added resources needed to support Lam Research's future growth. This overall commitment to the partnership ensures the on-going mutual success of both of our companies." Mitsuharu Shimizu, President, SHINKO ELECTRIC INDUSTRIES CO., LTD.

The Lam Research Supplier Excellence Awards were announced on August 22 at the company's Supplier Day, during which Lam Research focuses on enhancing collaboration and renewing opportunities for mutual success with its customers and suppliers. Executives from suppliers around the world attended the event, and Shinko was among the companies honored for its achievements.

"We applaud the contributions of Shinko as one of Lam's preferred suppliers, and appreciate the important role they play in delivering industry-leading products and services to our customers," said Tim Archer, chief operating officer, Lam Research. "We are pleased to present with a Lam Research Supplier Excellence Award for Overall Performance and we look forward to continuing our success together."
